Dear Dr. Hockett,

I am pleased to acknowledge and to accept with thanks the check from The Council For Tobacco Research-USA, Inc. for \$2000 in support of the FASEB Summer Research Conference on Mechanisms of Carcinogenesis. The Federation and the scientists who comprise it are deeply appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the Chairperson, Dr. Lowy, to defray the travel and registration expenses of some of the invited speakers.

Please express to the appropriate officials my thanks and appreciation for the support that you so generously provided.

Sincerely

Robert W. Krauss
